- 5.2 The Company's lien (if any) on a share shall extend to all dividends and bonuses declared in respect thereof. The Board may resolve that any share shall for some specified period be exempt wholly or partially from the provisions of this Article.
- 5.3 The Company may sell in such manner as the Board thinks fit any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given to the registered holder for the time being of the shares or the person, of which the Company has notice, entitled to the shares by reason of such holder's death, mental disorder or bankruptcy.
- 5.4 The net proceeds of such sale by the Company after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale and upon surrender, if required by the Company, for cancellation of the certificate for the share sold) be paid to the holder immediately before such sale of the share. For giving effect to any such sale, the Board may authorise any person to transfer the shares sold to the purchaser thereof and may enter the purchaser's name in the register as holder of the shares, and the purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

6 Calls on Shares

- 6.1 The Board may from time to time make such calls as it may think fit upon the members in respect of any monies unpaid on the shares held by them respectively (whether on account of the nominal amount of the shares or by way of premium or otherwise) and not by the conditions of allotment thereof made payable at fixed times. A call may be made payable either in one sum or by instalments. A call may be revoked or postponed as the Board may determine.
- 6.2 At least 14 days' notice of any call shall be given to each member specifying the time and place of payment and to whom such payment shall be made.
- 6.3 A copy of the notice referred to in Article 6.2 shall be sent in the manner in which notices may be sent to members by the Company as herein provided.
- 6.4 Every member upon whom a call is made shall pay the amount of every call so made on him to the person and at the time or times and place or places as the Board shall specify. A person upon whom a call is made shall remain liable on such call notwithstanding the subsequent transfer of the shares in respect of which the call was made.
- 6.5 In addition to the giving of notice in accordance with Article 6.3, notice of the person appointed to receive payment of every call and of the times and places appointed for payment may be given to the members affected by notice published on the Exchange's website, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or by advertisement published in the newspapers.
- 6.6 A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed.
- 6.7 The joint holders of a share shall be severally as well as jointly liable for the payment of all calls and instalments due in respect of such share or other moneys due in respect thereof.
- 6.8 The Board may from time to time at its discretion extend the time fixed for any call, and may extend such time as to all or any of the members, whom by reason of residence outside Hong Kong or other cause the Board considers it reasonable to grant an extension to, but no member shall be entitled to any such extension as a matter of grace and favour.
- 6.9 If the sum or any instalment payable in respect of any call is unpaid on or before the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding 20% per annum as the Board shall determine from the day appointed for the payment thereof to the time of actual payment, but the Board may waive payment of such interest wholly or in part.
- 6.10 No member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another member) at any general meeting, either personally or by proxy, or be reckoned in a quorum, or to exercise any other privilege as a member until all sums or instalments due from him to the Company in respect of any call, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

- 6.11 At the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the member sued is entered in the register as the holder, or one of the holders, of the shares in respect of which such debt accrued; that the resolution making the call is duly recorded in the minute book; and that notice of such call was duly given to the member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, and the proof of the matters aforesaid shall be conclusive evidence of the debt.
- 6.12 Any sum which by the terms of allotment of a share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the share and/or by way of premium or otherwise, shall for all purposes of these Articles be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment, all the relevant provisions of these Articles as to payment of interest and expenses, liabilities of joint holders, forfeiture and the like, shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 6.13 The Board may, if it thinks fit, receive from any member willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any shares held by him, and upon all or any of the moneys so advanced the Company may pay interest at such rate (if any) not exceeding 20% per annum as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such member not less than one month's notice in writing of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. No such sum paid in advance of calls shall entitle the member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

7 Transfer of Shares

- 7.1 Any member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- 7.2 The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board of Directors may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board of Directors may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board of Directors from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

- 7.3 Notwithstanding Articles 7.1 and 7.2, transfers of shares which are listed on the Exchange may be effected by any method of transferring or dealing in securities permitted by the Listing Rules and which has been approved by the Board for such purpose.
- 7.4 (1) Fully paid Shares shall be free from any restriction with respect to the right of the holder thereof to transfer such Shares (except when permitted by the Exchange). The Board of Directors may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) The Board of Directors in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board of Directors otherwise determines.
- (3) Unless the Board of Directors otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board of Directors in its absolute discretion may from time to time determine, and which agreement the Board of Directors shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Companies Act.
- 7.5 The Board may also decline to register any transfer of any shares unless:
- (a) the instrument of transfer is lodged with the Company accompanied by the certificate for the shares to which it relates (which shall upon registration of the transfer be cancelled) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - (b) the instrument of transfer is in respect of only one class of shares;
 - (c) the instrument of transfer is properly stamped (in circumstances where stamping is required); or
 - (d) a fee of such maximum as the Exchange may from time to time determine to be payable (or such lesser sum as the Board may from time to time require) is paid to the Company in respect thereof.

- 7.6 No transfer shall be made to an infant or to a person in respect of whom an order has been made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs or under other legal disability.
- 7.7 If the Board shall refuse to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal.
- 7.8 Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued, for such fee not exceeding HK\$2.50 (or such higher amount as may from time to time be permitted under the Listing Rules), to the transferee in respect of the shares transferred to him, and if any of the shares included in the certificate so given up shall be retained by the transferor, a new certificate in respect thereof shall be issued to him without charge. The Company shall also retain the instrument(s) of transfer.
- 7.9 The registration of transfers may, on 10 business days' notice (or on 6 business days' notice in the case of a Rights Issue) being given by advertisement published on the Exchange's website, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or by advertisement published in the newspapers, be suspended and the register closed at such times for such periods as the Board may from time to time determine, provided always that such registration shall not be suspended or the register closed for more than 30 days in any year (or such longer period as the members may by ordinary resolution determine provided that such period shall not be extended beyond 60 days in any year).
- 7.10 In the event that there is an alteration of book closure dates, the Company shall give at least 5 business days' notice before the announced closure, or the new closure, whichever is earlier. If, however, there are exceptional circumstances (e.g. during a gale warning or black rainstorm warning) that render the giving of such publication of advertisement impossible, the Company shall comply with these requirements as soon as practicable.

8 Transmission of Shares

- 8.1 In the case of the death of a member, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any share solely or jointly held by him.
- 8.2 Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a member may, upon such evidence as to his title being produced as may from time to time be required by the Board and subject as hereinafter provided, either be registered himself as holder of the share or elect to have some other person nominated by him registered as the transferee thereof.

- 8.3 If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered he shall testify his election by executing in favour of his nominee a transfer of such share. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy or winding-up of the member had not occurred and the notice or transfer were a transfer executed by such member.
- 8.4 A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 14.3 being met, such a person may vote at meetings.

9 Forfeiture of Shares

- 9.1 If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time during such time as any part thereof remains unpaid, without prejudice to the provisions of Article 6.10, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.
- 9.2 The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which, and the place where, the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is unpaid will be liable to be forfeited. The Board may accept a surrender of any share liable to be forfeited hereunder and in such case, references in these Articles to forfeiture shall include surrender.
- 9.3 If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share, and not actually paid before the forfeiture.
- 9.4 Any share so forfeited shall be deemed to be the property of the Company, and may be re-allotted sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a re-allotment, sale or disposition the forfeiture may be cancelled by the Board on such terms as it thinks fit.

- 9.5 A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until payment at such rate not exceeding 20% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the shares forfeited, at the date of forfeiture. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived, be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.
- 9.6 A statutory declaration in writing that the declarant is a Director or Secretary, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any re-allotment, sale or disposition thereof and the Board may authorise any person to execute a letter of re-allotment or transfer the share in favour of the person to whom the share is re-allotted, sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the subscription or purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or other disposal of the share.
- 9.7 When any share shall have been forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register. Notwithstanding the above, no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice as aforesaid.
- 9.8 Notwithstanding any such forfeiture as aforesaid, the Board may at any time, before any share so forfeited shall have been re-allotted, sold, or otherwise disposed of, permit the share forfeited to be redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
- 9.9 The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
- 9.10 The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

10 Alteration of Capital

10.1 The Company may from time to time by ordinary resolution:

- (a) increase its share capital;
- (b) consolidate and divide all or any of its share capital into shares of larger or smaller amount than its existing shares. On any consolidation of fully paid shares and division into shares of larger amount, the Board may settle any difficulty which may arise as it thinks expedient and in particular (but without prejudice to the generality of the foregoing) may as between the holders of shares to be consolidated determine which particular shares are to be consolidated into each consolidated share, and if it shall happen that any person shall become entitled to fractions of a consolidated share or shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated share or shares rateably in accordance with their rights and interests or may be paid to the Company for the Company's benefit;
- (c) divide its shares into several classes and without prejudice to any special rights previously conferred on the holders of existing shares attach thereto respectively any preferential, deferred, qualified or special rights, privileges, conditions or such restrictions which in the absence of any such determination by the Company in general meeting, as the Directors may determine;
- (d) cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled subject to the provisions of the Companies Act;
- (e) sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association of the Company, subject nevertheless to the provisions of the Act, and so that the resolution whereby any share is sub-divided may determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have any such preferred or other special rights, over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new shares; and
- (f) convert all or any of its paid up shares into stock and reconvert that stock its paid up shares of any denomination.

10.2 The Company may by Special Resolutions reduce its share capital or any capital redemption reserve or any other undistributed reserve in any manner authorised and subject to any conditions prescribed by the Act. The Company may apply its share premium account in any manner permitted by the Act.

11 Borrowing Powers

- 11.1 The Board may from time to time at its discretion exercise all the powers of the Company to raise or borrow or to secure the payment of any sum or sums of money for the purposes of the Company and to mortgage or charge its undertaking, property and assets (present and future) and uncalled capital or any part thereof.
- 11.2 The Board may raise or secure the payment or repayment of such sum or sums in such manner and upon such terms and conditions in all respects as it thinks fit and, in particular but subject to the provisions of the Companies Act, by the issue of debentures, debenture stock, bonds or other securities of the Company, whether outright or as collateral security for any debt, liability or obligations of the Company or of any third party.
- 11.3 Debentures, debenture stock, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.
- 11.4 Any debentures, debenture stock, bonds or other securities may be issued at a discount, premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise.
- 11.5 The Board shall cause a proper register to be kept, in accordance with the provisions of the Act, of all mortgages and charges specifically affecting the property of the Company and shall duly comply with the requirements of the Act in regard to the registration of mortgages and charges therein specified and otherwise.
- 11.6 If the Company issues debentures or debenture stock (whether as part of a series or as individual instruments) not transferable by delivery, the Board shall cause a proper register to be kept of the holders of such debentures.
- 11.7 Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge, and shall not be entitled, by notice to the members or otherwise, to obtain priority over such prior charge.

12 General Meetings

- 12.1 The Company shall in each financial year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it. The Company must hold its annual general meeting within six months after the end of its financial year. All general meetings (including an annual general meeting, any adjourned meeting or postponed meeting) may be held as a physical meeting in any part of the world and at one or more locations provided in Article 13.5A or as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.
- 12.2 All general meetings other than annual general meetings shall be called extraordinary general meetings.

- 12.3 The Board may, whenever it thinks fit, convene an extraordinary general meeting. General meetings shall also be convened and resolutions may be added to a meeting agenda on the written requisition of any two or more members of the Company deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the registered office specifying the objects of the meeting and signed by the requisitionists, provided that such requisitionists held as at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company (excluding the voting rights attaching to any treasury shares), on a one vote per share basis in the share capital of the Company. General meetings may also be convened on the written requisition of any one member of the Company which is a recognised clearing house (or its nominee(s)) deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the registered office specifying the objects of the meeting and signed by the requisitionist, provided that such requisitionist held as at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company. If the Board does not within 21 days from the date of deposit of the requisition proceed duly to convene the meeting to be held within a further 21 days, the requisitionist(s) themselves or any of them representing more than one-half of the total voting rights of all of them, may convene the general meeting in the same manner, as nearly as possible, as that in which meetings may be convened by the Board provided that any meeting so convened shall not be held after the expiration of three months from the date of deposit of the requisition, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to them by the Company.
- 12.4 An annual general meeting and any extraordinary general meeting called for the passing of a Special Resolution shall be called by not less than 21 days' notice in writing and any other extraordinary general meeting shall be called by not less than 14 days' notice in writing. Subject to the requirement under the Listing Rules, the notice shall be inclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify (a) the time and date of the meeting, (b) save for an electronic meeting, the place of the meeting and if there is more than one Meeting Location as determined by the Board pursuant to Article 13.5A, the principal place of the meeting (the “**Principal Meeting Place**”), (c) if the general meeting is to be a hybrid meeting or an electronic meeting, the notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) agenda of the meeting, particulars of the resolutions to be considered at the meeting and in the case of special business (as defined in Article 13.1) the general nature of that business. The notice convening an annual general meeting shall specify the meeting as such, and the notice convening a meeting to pass a Special Resolution shall specify the intention to propose the resolution as a Special Resolution. Notice of every general meeting shall be given to the Auditors and to all members other than such as, under the provisions hereof or the terms of issue of the shares they hold, are not entitled to receive such notice from the Company.

- 12.5 Notwithstanding that a meeting of the Company is called by shorter notice than that referred to in Article 12.4, it shall be deemed to have been duly called if it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the members of the Company entitled to attend and vote thereat or their proxies; and
 - (b) in the case of any other meeting, by a majority in number of the members having a right to attend and vote at the meeting, being a majority together holding not less than 95% in nominal value of the shares giving that right.
- 12.6 There shall appear with reasonable prominence in every notice of general meetings of the Company a statement that a member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of him and that a proxy need not be a member of the Company.
- 12.7 The accidental omission to give any such notice to, or the non-receipt of any such notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.
- 12.8 In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.
- 12.9 If, after the notice of a general meeting has been sent but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is impractical or unreasonable for any reason to hold a general meeting on the date or at the time and place specified in the notice calling such meeting, it may change or postpone the meeting to another date, time and place in accordance with Article 12.11.
- 12.10 The Board shall also have the power to provide in every notice calling a general meeting that in the event of a gale warning or a black rainstorm warning (or the equivalent in the location of the relevant meeting) is in force at any time on the day of the general meeting (unless such warning has been cancelled at least a minimum period of time prior to the general meeting as the Board may specify in the relevant notice), the meeting shall be postponed without further notice to be reconvened on a later date in accordance with Article 12.11. Where a general meeting is so postponed in accordance with this Article, the Company shall endeavour to cause a notice of such postponement to be placed on the Company's Website and published on the Exchange's website as soon as practicable (provided that failure to place or publish such notice shall not affect the automatic postponement of such meeting).

12.11 Where a general meeting is postponed in accordance with Article 12.9 or Article 12.10:

- (a) the Board shall fix the date, time and place for the reconvened meeting and at least seven clear days' notice shall be given for the reconvened meeting by one of the means specified in Article 30.1; and such notice shall specify the date, time and place at which the postponed meeting will be reconvened, and the date and time by which proxies shall be submitted in order to be valid at such reconvened meeting (provided that any proxy submitted for the original meeting shall continue to be valid for the reconvened meeting unless revoked or replaced by a new proxy); and
- (b) notice of the business to be transacted at the reconvened meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the reconvened meeting is the same as that set out in the notice of the original meeting circulated to the members of the Company.

13 Proceedings at General Meetings

13.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business shall be deemed special that is transacted at an annual general meeting with the exception of the following, which shall be deemed ordinary business:

- (a) the declaration and sanctioning of dividends;
- (b) the consideration and adoption of the accounts and balance sheets and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
- (c) the election of Directors whether by rotation or in place of those retiring;
- (d) the appointment of Auditors;
- (e) the fixing of, or the determining of the method of fixing of, the remuneration of the Directors and of the Auditors;
- (f) the granting of any mandate or authority to the Directors to offer, allot, grant options over, or otherwise dispose of the unissued shares of the Company representing not more than 20% (or such other percentage as may from time to time be specified in the Listing Rules) in nominal value of its then existing issued share capital and the number of any securities repurchased pursuant to Article 13.1(g); and
- (g) the granting of any mandate or authority to the Directors to repurchase securities of the Company.

13.2 For all purposes the quorum for a general meeting shall be two members present in person (or in the case of a corporation, by its duly authorised representative) or by proxy provided always that if the Company has only one member of record the quorum shall be that one member present in person or by proxy. No business (except the appointment of a Chairman) shall be transacted at any general meeting unless the requisite quorum shall be present at the commencement of the business.

- 13.3 If within 15 minutes from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week and at such time and place and in such manner referred to in Article 12.1 as shall be decided by the Board, and if at such adjourned meeting a quorum is not present within 15 minutes from the time appointed for holding the meeting, the member or members present in person (or in the case of a corporation, by its duly authorised representative) or by proxy shall be a quorum and may transact the business for which the meeting was called.
- 13.4 (1) The Chairman shall take the chair at every general meeting, or, if there be no such Chairman or, if at any general meeting such Chairman shall not be present within 15 minutes after the time appointed for holding such meeting or is unwilling to act, the Directors present shall choose another Director as Chairman, and if no Director be present, or if all the Directors present decline to take the chair, or if the Chairman chosen shall retire from the chair, then the members present (whether in person or represented by proxy or duly authorised representative) shall choose one of their own number to be Chairman.
- (2) If the Chairman of a general meeting held in any form is participating in the general meeting using an electronic facility or facilities which is hereby permitted and becomes unable to participate in the general meeting using such electronic facility or facilities, another person (determined in accordance with Article 13.4 (1) above) shall preside as Chairman of the meeting unless and until the original Chairman is able to participate in the general meeting using the electronic facility or facilities.
- 13.5 Subject to Article 13.5C, The Chairman may, with the consent of any general meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn any meeting from time to time and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting) as the meeting shall determine. Whenever a meeting is adjourned for 14 days or more, at least seven clear days' notice, specifying the place, the day and the hour of the adjourned meeting shall be given in the same manner as in the case of an original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, no member shall be entitled to any notice of an adjournment or of the business to be transacted at any adjourned meeting. No business shall be transacted at any adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.
- 13.5A (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations (“**Meeting Location(s)**”) determined by the Board at its absolute discretion. Any member or any proxy attending and participating in such way or any member or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.

- (2) All general meetings are subject to the following and, where appropriate, all references to a “member” or “members” in this sub-paragraph (2) shall include a proxy or proxies respectively:
- (a) where a member is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
 - (b) members present in person or by proxy at a Meeting Location and/or members attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the Chairman is satisfied that adequate electronic facilities are available throughout the meeting to ensure that members at all Meeting Locations and members participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;
 - (c) where members attend a meeting by being present at one of the Meeting Locations and/or where members participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and
 - (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the notice for the meeting.

13.5B The Board and, at any general meeting, the Chairman may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

13.5C If it appears to the Chairman that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 13.5A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the Chairman may have under these Articles or at common law, the Chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

13.5D The Board and, at any general meeting, the Chairman may make any arrangement and impose any requirement or restriction the Board or the Chairman, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

13.5E If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the notice are changed, the Board shall notify the members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 13.5, unless already specified in the original notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original notice of general meeting circulated to the members.

13.5F All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 13.5C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

13.5G Without prejudice to other provisions in Article 13.5, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

13.6 At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless voting by way of a poll is required by the Listing Rules or (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

- (a) by the chairman of such meeting; or
- (b) by at least three members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
- (c) by a member or members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all members having the right to vote at the meeting; or
- (d) by a member or members present in person or in the case of a member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right; or
- (e) if required by the Listing Rules, by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing five per cent. or more of the total voting rights at such meeting.

A demand by a person as proxy for a member or in the case of a member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by a member. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the Chairman may determine.

13.7 Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.

13.8 If a poll is duly demanded it shall be taken in such manner as the Chairman of the meeting directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.

13.9 Any poll on the election of a Chairman of a meeting or any question of adjournment shall be taken at the meeting and without adjournment. A poll demanded on any other question shall be taken in such manner (including the use of ballot or voting papers or tickets) and either forthwith or at such time (being not later than thirty days after the date of the demand) and place as the Chairman of the meeting directs. It shall not be necessary (unless the Chairman otherwise directs) for notice to be given of a poll not taken immediately.

- 13.10 Where a resolution is voted on by a show of hands as permitted under the Listing Rules, a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book of the Company shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 13.11 The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the Chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.
- 13.12 All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Companies Act. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
- 13.13 A resolution in writing (in one or more counterparts), including a Special Resolution, signed by all members for the time being entitled to receive notice of and to attend and vote at general meetings (or being corporations by their duly appointed representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last member to sign.

14 Votes of Members

- 14.1 Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of shares, at any general meeting on a show of hands every member present in person (or, in the case of a member being a corporation, by its duly authorised representative) or by proxy shall have one vote and on a poll every member present in person (or, in the case of a member being a corporation, by its duly authorised representative) or by proxy shall have one vote for every share of which he is the holder which is fully paid or credited as fully paid (but so that no amount paid or credited as paid on a share in advance of calls or installments is treated for the foregoing purposes as paid on the share) for each share registered in his name in the register. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a shareholder which is a clearing house (or its nominees), each such proxy shall have one vote on a show of hands. On a poll, a member or a proxy entitled to more than one vote need not use all his votes or cast all his votes in the same way. Members of the Company must have the right to: (a) speak at general meetings of the Company; and (b) vote at a general meeting except where a member is required by the Listing Rules to abstain from voting to approve the matter under consideration. An example of such a circumstance is where a member has a material interest in the transaction or arrangement being voted upon.
- 14.2 Where any member is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such member whether by proxy or, as the case may be corporate representative in contravention of such requirement or restriction shall not be counted.

- 14.3 Any person entitled under Article 8.2 to be registered as a member may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting (as the case may be) at which he proposed to vote, he shall satisfy the Board of his right to be registered as the holder of such shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
- 14.4 Where there are joint registered holders of any share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto; but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present being the most or, as the case may be, the more senior shall alone be entitled to vote in respect of the relevant joint holding and, for this purpose, seniority shall be determined by reference to the order in which the names of the joint holders stand on the register in respect of the relevant joint holding. Several executors or administrators of a deceased member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
- 14.5 A member in respect of whom an order has been made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs may vote by any person authorised in such circumstances to do so, and such person may vote by proxy.
- 14.6 Save as expressly provided in these Articles or as otherwise determined by the Board, no person other than a member duly registered and who shall have paid all sums for the time being due from him payable to the Company in respect of his shares shall be entitled to be present or to vote (save as proxy for another member), or to be reckoned in a quorum, either personally or by proxy at any general meeting.
- 14.7 No objection shall be raised as to the qualification of any person exercising or purporting to exercise any vote or to the admissibility of any vote except at the meeting or adjourned meeting at which the person exercising or purporting to exercise his vote or the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. In the case of any dispute as to the admission or rejection of any vote, the Chairman of the meeting shall determine the same and such determination shall be final and conclusive.
- 14.8 Any member of the Company entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person (who must be an individual) as his proxy to attend and vote instead of him and a proxy so appointed shall have the same right as the member to speak at the meeting. Votes may be given either personally or by proxy. A member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a member. In addition, a proxy or proxies representing either a member who is an individual or a member which is a corporation shall be entitled to exercise the same powers on behalf of the member which he or they represent as such member could exercise.
- 14.9 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney authorised in writing, or if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person duly authorised to sign the same.

- 14.10 (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority, (if any) under which it is signed, or a notarially certified copy of such power or authority, shall be delivered at the registered office of the Company (or at such other place as may be specified in the notice convening the meeting or in any notice of any adjournment or, in either case, in any document sent therewith), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than 48 hours before the time appointed for the taking of the poll, and in default the instrument of proxy shall not be treated as valid provided always that the Chairman of the meeting may at his discretion direct that an instrument of proxy shall be deemed to have been duly deposited upon receipt of telex or cable or facsimile confirmation from the appointor that the instrument of proxy duly signed is in the course of transmission to the Company. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date named in it as the date of its execution. Delivery of any instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.
- 14.11 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in common form or such other form that complies with the Listing Rules as the Board may from time to time approve, provided that it shall enable a member, according to his intention, to instruct his proxy to vote in favour of or against (or in default of instructions or in the event of conflicting instructions, to exercise his discretion in respect of) each resolution to be proposed at the meeting to which the form of proxy relates.

- 14.12 The instrument appointing a proxy to vote at a general meeting shall: (a) be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit; and (b) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates, provided that the meeting was originally held within 12 months from such date.
- 14.13 A vote given in accordance with the terms of an instrument of proxy or resolution of a member shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy or resolution of a member was executed or revocation of the relevant resolution or the transfer of the share in respect of which the proxy was given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its registered office, or at such other place as is referred to in Article 14.10, at least two hours before the commencement of the meeting or adjourned meeting at which the proxy is used.
- 14.14 Any corporation which is a member of the Company may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of members of any class of shares of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Company and where a corporation is so represented, it shall be treated as being present at any meeting in person.
- 14.15 Notwithstanding any other provision of these Articles, where that shareholder is a recognised clearing house (within the meaning of the Securities and Futures Ordinance (Chapter 571) of the Laws of Hong Kong) or its nominee(s), it may authorise such person or persons as it thinks fit to act as its representative(s) or proxy(ies) at any shareholders' meetings or any meetings of any class of shareholders or any creditors' meetings or any meetings of any class of creditors provided that, if more than one person is so authorised, the authorisation or proxy form must specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised will be deemed to have been duly authorised without the need of producing any documents of title, notarised authorisation and/or further evidence for substantiating the facts that it is duly authorised and will be entitled to exercise the same power on behalf of the recognised clearing house or its nominee(s) as that clearing house or its nominee(s) could exercise if it were an individual shareholder of the Company.

15 Registered Office

The registered office of the Company shall be at such place in the Cayman Islands as the Board shall from time to time appoint.

16 Board of Directors

- 16.1 The number of Directors shall not be less than one.
- 16.2 The Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the first annual general meeting of the Company after his appointment and shall then be eligible for re-election at that meeting.

- 16.3 The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall not be less than one. Subject to the provisions of these Articles and the Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy or as an addition to the existing Directors.
- 16.4 No person shall, unless recommended by the Board, be eligible for election to the office of Director at any general meeting unless during the period, which shall be at least seven days, commencing no earlier than the day after the despatch of the notice of the meeting appointed for such election and ending no later than seven days prior to the date of such meeting, there has been given to the Secretary notice in writing by a member of the Company (not being the person to be proposed), entitled to attend and vote at the meeting for which such notice is given, of his intention to propose such person for election and also notice in writing signed by the person to be proposed of his willingness to be elected.
- 16.5 The Company shall keep at its registered office a register of directors and officers containing their names and addresses and occupations and any other particulars required by the Act and shall send to the Registrar of Companies of the Cayman Islands a copy of such register and shall from time to time notify to the Registrar of Companies of the Cayman Islands any change that takes place in relation to such Directors as required by the Act.
- 16.6 The members of the Company may by ordinary resolution at any time remove any Director (including a Managing Director or other executive Director) before the expiration of his term of office notwithstanding anything in these Articles or in any agreement between the Company and such Director and may by ordinary resolution elect another person in his stead. Any person so elected shall hold office during such time only as the Director in whose place he is elected would have held the same if he had not been removed. Nothing in this Article should be taken as depriving a Director removed under any provisions of this Article of compensation or damages payable to him in respect of the termination of his appointment as Director or of any other appointment or office as a result of the termination of his appointment as Director or as derogatory from any power to remove a Director which may exist apart from the provision of this Article.
- 16.7 A Director may at any time by notice in writing delivered to the registered office of the Company, the principal office of the Company in Hong Kong or at a meeting of the Board, appoint any person (including another Director) to be his alternate Director in his place during his absence and may in like manner at any time determine such appointment. Such appointment, unless previously approved by the Board, shall have effect only upon and subject to being so approved, provided that the Board may not withhold approval of any such appointment where the proposed appointee is a Director.
- 16.8 The appointment of an alternate Director shall determine on the happening of any event which, were he a Director, would cause him to vacate such office or if his appointor ceases to be a Director.

- 16.9 An alternate Director shall (except when absent from Hong Kong), be entitled to receive and waive (in lieu of his appointor) notices of meetings of the Directors and shall be entitled to attend and vote as a Director and be counted in the quorum at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all the functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative and he need not use all his votes or cast all the votes he uses in the same way. If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act (as to which a certificate by the alternate shall in the absence of actual notice to the contrary to other Directors be conclusive), his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Board may from time to time determine in relation to any committee of the Board, the provisions of this Article shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid, have power to act as a Director nor shall he be deemed to be a Director for the purposes of these Articles.
- 16.10 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director, but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.
- 16.11 In addition to the provisions of Articles 16.7 to 16.10, a Director may be represented at any meeting of the Board (or of any committee of the Board) by a proxy appointed by him, in which event the presence or vote of the proxy shall for all purposes be deemed to be that of the Director. A proxy need not himself be a Director and the provisions of Articles 14.8 to 14.13 shall apply mutatis mutandis to the appointment of proxies by Directors save that an instrument appointing a proxy shall not become invalid after the expiration of twelve months from its date of execution but shall remain valid for such period as the instrument shall provide or, if no such provision is made in the instrument, until revoked in writing and save also that a Director may appoint any number of proxies although only one such proxy may attend in his stead at meetings of the Board (or of any committee of the Board).
- 16.12 A Director need not hold any qualification shares. No Director shall be required to vacate office or be ineligible for re-election or re-appointment as a Director and no person shall be ineligible for appointment as a Director by reason only of his having attained any particular age.
- 16.13 The Directors shall be entitled to receive by way of ordinary remuneration for their services such sum as shall from time to time be determined by the Company in general meeting or by the Board, as the case may be, such sum (unless otherwise directed by the resolution by which it is voted) to be divided amongst the Directors in such proportions and in such manner as they may agree, or failing agreement, equally, except that in such event any Director holding office for less than the whole of the relevant period in respect of which the remuneration is paid shall only rank in such division in proportion to the time during such period for which he has held office. Such remuneration shall be in addition to any other remuneration to which a Director who holds any salaried employment or office in the Company may be entitled by reason of such employment or office.

- 16.14 Payment to any Director or past Director of any sum by way of compensation for loss of office or as consideration for or in connection with his retirement from office (not being a payment to which the Director is contractually entitled) must first be approved by the Company in general meeting.
- 16.15 The Directors shall be entitled to be paid all travelling, hotel and other expenses, reasonably incurred by them in or about the performance of their duties as Directors including their expenses of travelling to and from Board meetings, committee meetings or general meetings or otherwise incurred whilst engaged on the business of the Company or in the discharge of their duties as Directors.
- 16.16 The Board may grant special remuneration to any Director, who shall perform any special or extra services to or at the request of the Company. Such special remuneration may be made payable to such Director in addition to or in substitution for his ordinary remuneration as a Director, and may be made payable by way of salary, commission or participation in profits or otherwise as may be agreed.

23.2 Wherever such a resolution as referred to in Article 23.1 shall have been passed the Board shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid up shares, debentures or other securities, if any, and generally shall do all acts and things required to give effect thereto, with full power to the Board:

- (a) to make such provision by the issue of fractional certificates or by payment in cash or otherwise (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned) as they think fit in cases where shares, debentures or other securities become distributable in fractions;
- (b) to exclude the right of participation or entitlement of any member with a registered address outside any territory where in the absence of a registration statement or other special or onerous formalities the circulation of an offer of such right or entitlement would or might be unlawful or where the Board consider the costs, expense or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or the acceptance of such offer out of proportion to the benefits of the Company; and
- (c) to authorise any person to enter on behalf of all members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares, debentures or other securities to which they may be entitled upon such capitalisation, or, as the case may require, for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such members.

- 24.3 The Board may from time to time pay to the members such interim dividends as appear to the Board to be justified by the profits of the Company and, in particular (but without prejudice to the generality of the foregoing), if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide, the Board shall not incur any responsibility to the holders of shares conferring any preferential rights.
- 24.4 The Board may also pay half-yearly or at other intervals to be selected by it any dividend which may be payable at a fixed rate if the Board is of the opinion that the profits available for distribution justify the payment.

EITHER

- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the members entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (a) the basis of any such allotment shall be determined by the Board;
 - (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;

- (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (the “**non-elected shares**”) and in satisfaction thereof shares shall be allotted credited as fully paid to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company’s reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit or loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis;

OR

- (b) that members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (a) the basis of any such allotment shall be determined by the Board;
 - (b) the Board, after determining the basis of allotment, shall give not less than two weeks’ notice in writing to members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised (the “**elected shares**”) and in lieu thereof shares shall be allotted credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company’s reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit and loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

- 24.8 The shares allotted pursuant to the provisions of Article 24.7 shall be of the same class as the class of, and shall rank *pari passu* in all respects with the shares then held by the respective allottees save only as regards participation:
- (a) in the relevant dividend (or share or cash election in lieu thereof as aforesaid); or
 - (b) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend, unless contemporaneously with the announcement by the Board of its proposal to apply the provisions of Article 24.7(a) or 24.7(b) in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of Article 24.7 shall rank for participation in such distributions, bonuses or rights.
- 24.9 The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of Article 24.8 with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- 24.10 The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of Article 24.7 a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to members to elect to receive such dividend in cash in lieu of such allotment.
- 24.11 The Board may on any occasion determine that rights of election and the allotment of shares under Article 24.7 shall not be made available or made to any members with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, or where the Board considers the costs, expenses or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or the acceptance of such offer out of proportion to the benefit of the Company, and in any such case the provisions aforesaid shall be read and construed subject to such determination.
- 24.12 The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in any manner permitted by the Companies Act. The Company shall at all times comply with the provisions of the Companies Act in relation to the share premium account.

- 24.13 The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including shares, warrants and other securities of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.
- 24.14 Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid. For the purpose of this Article no amount paid up on a share in advance of calls shall be treated as paid up on the share.
- 24.15 The Board may retain any dividends or other moneys payable on or in respect of a share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- 24.16 The Board may retain any dividends or other monies payable upon shares in respect of which any person is, under the provisions as to the transmission of shares hereinbefore contained, entitled to become a member, or in respect of which any person is under those provisions entitled to transfer, until such person shall become a member in respect of such shares or shall transfer the same.
- 24.17 The Board may deduct from any dividend or other monies payable to any member all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.
- 24.18 Any general meeting sanctioning a dividend may make a call on the members of such amount as the meeting resolves, but so that the call on each member shall not exceed the dividend payable to him, and so that the call be made payable at the same time as the dividend, and the dividend may, if so arranged between the Company and the member, be set off against the call.

- 24.19 The Board, with the sanction of the members in general meeting, may direct that any dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements, round the same up or down or provide that the same shall accrue to the benefit of the Company, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where required, a contract shall be filed in accordance with the provisions of the Act and the Board may appoint any person to sign such contract on behalf of the persons entitled to the dividend and such appointment shall be effective.
- 24.20 A transfer of shares shall not pass therewith the right to any dividend or bonus declared thereon before the registration of the transfer.
- 24.21 Any resolution declaring or resolving upon the payment of a dividend or other distribution on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may, subject to the provisions of the Listing Rules, specify that the same shall be payable or made to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares.
- 24.22 If two or more persons are registered as joint holders of any shares, any one of such persons may give effectual receipts for any dividends, interim and special dividends or bonuses and other moneys payable or rights or property distributable in respect of such shares.
- 24.23 Unless otherwise directed by the Board, any dividend, interest or other sum payable in cash to a holder of shares may be paid by cheque or warrant sent through the post to the registered address of the member entitled, or, in case of joint holders, to the registered address of the person whose name stands first in the register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque or warrant so sent shall be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the register in respect of such shares and shall be sent at his or their risk, and the payment of any such cheque or warrant by the bank on which it is drawn shall operate as a good discharge to the Company in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.
- 24.24 The Company may cease sending such cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise its power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

24.25 All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the exclusive benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof or be required to account for any money earned thereon. All dividends or bonuses unclaimed for six years after having been declared may be forfeited by the Board and shall revert to the Company and after such forfeiture no member or other person shall have any right to or claim in respect of such dividends or bonuses.

And if in a winding up the assets available for distribution amongst the members shall be more than sufficient to repay the whole of the capital paid up at the commencement of the winding up, the excess shall be distributed amongst the members in proportion to the capital paid up at the commencement of the winding up on the shares held by them respectively. This Article is to be without prejudice to the rights of the holders of shares issued upon special terms and conditions.
